Kim,

Thanks! As an ACS parent, I strongly believe that the Board should include at least one member who is also an ACS parent - and the three I mentioned meet that criteria.

Sincerely,

Annadele

Annadele, there's still action at the Council meeting tonight. To clarify, in addition to the 3 current members eligible for reappointment, 5 new applicants were recommended in a 2-1 vote by the Boards & Commissions Committee today.

I will be addressing the exclusion of educators who applied. Thank you for reaching out and staying involved.

Dear Mayor & Council members,

I am writing today to STRONGLY urge you to continue your tradition of interviewing any candidate for the Board whom one or more Council members has/have expressed an interest in interviewing, rather than only the candidates recommended by the Boards and Commissions Committee. I especially encourage you to keep Pepi Acebo, Kate Fisher, and Libby Kyles on the list of candidates to further consider. There are a number of excellent candidates on the list, but those three have been very involved & active members & stakeholders in the ACS community for quite a while now.

Thank you in advance for your consideration,

Annadele Alsup
