Subject: Re: Support ACAE-BCAE School Board Endorsements

I believe that Libby Kyle's will be a great asset to the school board because she really cares about our students. She knows what's happening IN the schools, and she makes our children of color feel special.

Carol,

I appreciate your taking time to lift up the names of applicants endorsed by the Asheville Association of Educators. Next Tuesday morning, March 23rd, we will conduct interviews with the 7 applicants who have been advanced to the final round. Jacquelyn is among those who will be interviewed. As a matter of procedure, Council may vote for any of the 15 applicants remaining at our Council meeting on the evening of the 23rd.

With Gratitude,
Kim

Kim Roney,

Dear Asheville City Council Members,

As a member of the Asheville City Schools community, I am invested in your decision of school board appointments. I feel it is important that educators' voices be given strong consideration as you deliberate on the choices before you. Asheville Association of Educators (ACAE) has the best interest of educators and students in mind when endorsing these candidates. We believe ACS will be strengthened by a school board that is open to two way communication with the stakeholders they represent. I support the Asheville Association of Educators' and Buncombe County Association of Educators' endorsement of Libby Kyles, Jacquelyn Carr McHargue, and Pepi Acebo.

Thank you,

Carol Hill
