Lara, there's still action at the Council meeting tonight since the 5 recommended names came out of today's Boards & Commissions Committee. Thank you for lifting up Libby, Pepi, and Kate as well as naming your why.

I will be addressing the exclusion of educators and parents who applied. Thank you for reaching out and staying involved.

Hi, Kim,

It seems that in the past, City Council has extended the opportunity to interview to any school board candidate whose interview was requested by even one council member.

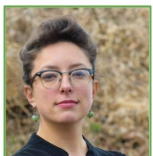

Would you please be that council member for Libby Kyles, Pepi Acebo, and Kate Fisher?

They are all so qualified for this position and so dedicated to all our kids--and they have the guts to do what is right in the face of pressure--it would be a serious oversight to leave them out of this process.

Thank you!
