Subject: Please Appoint Pepi Acebo for ACS BOE

As a community member who volunteers at local schools and cares deeply about quality education in public schools, I would like to wholeheartedly support Pepi Acebo for an appointment to the Asheville City Schools Board of Education. Reading his cover letter, work history, educational perspective, and work history, I am astounded by his dedication to our city schools, and his breadth of experience that makes him an extremely qualified candidate.

There is no better candidate than Pepi Acebo, and I sincerely hope you help our city improve by electing him to the board of education.

Sincerely,
