Subject: School Board appointments

Dear City Council Members,

Please consider appointing Libby Kyles, Pepi Acebo, and Kate Brewer Fisher to the Asheville City School Board for the upcoming open positions.

I am a parent of a child at Asheville Primary School, and following the 'process' by which the current School Board and Superintendent have suddenly decided to close a thriving school has been deeply disturbing and upsetting. Their total lack of dialogue and engagement with the teachers, staff, students, and parents has been extremely frustrating. The stakeholders need a School Board we can trust.

Thank you,

Jeannie Aquilino
