I'm writing to express dismay and sadness that Pepi acebo and Kate fisher are running for the board. These two have been divisive and instrumental in shutting down open and collegial conversations about returning to school. I do not support them in any way.

Thank you,

"To laugh often and much; to win the respect of intelligent people and the affection of children; to earn the appreciation of honest critics and endure the betrayal of false friends; to appreciate beauty; to find the best in others; to leave the world a bit better, whether by a healthy child, a garden patch or a redeemed social condition; to know even one life has breathed easier because you have lived. This is to have succeeded." ~Ralph Waldo Emerson
