Hello,

I am writing to **recommend that you** appoint Pepi Acebo, Kate Brewer Fisher and Libby Kyles to the three open seats on Asheville City School Board.

They are engaged in school issues and child development, care about equity in education and development. I consider them to be informed, passionate, and willing to fight for students when necessary. As I understand it, three current school board members are asking to be re-appointed. With all due respect, please do not reappoint members who are allowing the status quo to continue. Pepi, Kate and Libby have put in the time. They have the experience and, most importantly, the backbone that parents and students in this school district deserve.

Thank you,

Lindsay Hearn
