Subject: School board appointments

Hello,

I am writing to ask you to appoint Pepi Acebo, Kate Brewer Fisher, and Libby Kyles to the three open seats on Asheville City School Board this month.

My first interactions with Kate were when she was an active parent at IDES. I always found her to be intelligent, thoughtful, to ask important questions, and to be genuinely concerned about the education and well-being of all students. All three of these individuals reliably show up for ACS students. They have a horse in the race, with all three of them being parents of current ACS students.

It is long past time for ACS to have an elected school board, but until that happens the next best thing is to appoint board members who have community support.

Thank you for your time.

Brittany Wager, parent of two ACS children
