**Subject:** Please Elect Kate Brewer Fischer & Libby Kyles to ACS BOE

---

I would like to request that you elect Kate Brewer Fischer and Libby Kyles to the Asheville City Schools Board of Education. They exemplify a deep understanding of how schools should be run and have demonstrated their ability to fill this leadership role.

They will fight to ensure high quality education for all of our public schools. This is important because now we are in a time when Asheville's population is expanding and we will need thoughtful decision makers for the planning process. We will not only need to continue to increase our quality of education, but expand our city services wherever possible to meet the needs of all the children of our community.

I know and trust Kate and Libby will be the best candidates to ensure our schools are working towards racial equity and high quality education. We would be doing nothing but a disservice to our community to not have Kate and Libby serve alongside Pepi Acebo in our next iteration of the ACS BOE.

Sincerely,
