Subject: Support ACAE-BCAE School Board Endorsements

Esther Manheimer,

Dear Asheville City Council Members,

I have worked for Asheville City Schools since January 2000. I have watched superintendents come and go and then come back again. This constant turn-over of leadership can be directly liked to our school board members. Please consider the ACAE endorsement of members as we have carefully vetted all willing candidates.

As a member of the Asheville City Schools community, I am invested in your decision of school board appointments. I feel it is important that educators' voices be given strong consideration as you deliberate on the choices before you. Asheville Association of Educators (ACAE) has the best interest of educators and students in mind when endorsing these candidates. We believe ACS will be strengthened by a school board that is open to two way communication with the stakeholders they represent. I support the Asheville Association of Educatorsâ€™™ and Buncombe County Association of Educatorsâ€™™ endorsement of Libby Kyles, Jacquelyn Carr McHargue, and Pepi Acebo.

Thank you,

Amy Sheeler
