Lt.

This is my new email address. I know it is a pain, but it would be super beneficial to me if you could send me an email with all of our old digital forms. This would help me in creating new forms needed for the police department. I did have all of them until I accidentally formatted my external hard drive, jimmy actually has it trying to recover files for me. Needless to say, I lost everything I did have. Thank you for the help, I truly appreciate it.

Elizabeth,

Attached are two timesheet, one from this month and one from December.
Also, I recall you stated at end of Nov. or Beginning of Dec. that there was a week not added in one of the pay checks and it would be added on for the January check. Just wanted to confirm those weekly hours were added. Let me know if you need anything from me.

Thanks for all you do,
