**How did you hear about this board vacancy?**

I heard of this board vacancy through an advertisement in my local library.

**Are you currently serving on any other Buncombe County board or commission?**

No

**Are you aware of any potential conflicts of interest that may arise during your service on this board (i.e. property interest, business interest, etc.)? If so, please explain:**

I am not aware of any potential conflicts of interest.

**Please indicate the area of expertise you can bring to the board, then list education, experience and reason for your interest.**

I have completed coursework at AB Tech towards completion of an AFA. I have volunteered with the children's department Cedar Park Public Library and the library at Emmanuel Lutheran School and enjoyed both very much.

**Why are you interested in serving on this board?**

I am interested in serving on this board for the following reasons: I have a unique and valuable perspective that can be put to use to serve those around me. Beyond that, I deeply enjoy spending time in my local library, not only for the resources, education, and services provided there, but for the staff and patrons that make up a community I love.

**What would you like to achieve if appointed?**

If appointed, I would like to assist Buncombe county's library system in any way possible. I am not extremely versed in the workings of county government, but I am a regular patron of the library and believe it is an important establishment in the well being of my community. As someone who regularly spends time in my local library, I can accurately identify and address the needs of the users and would be deeply grateful for the chance to serve the public.
