Hey, Alexa. John should be sending over the Initiation of Services for your new enrollee. However, it looks like she may not be enrolled yet. Parent informed him they plan on doing so this evening.

Subject: Home/Hospital Lead Orientation

Good afternoon, admin. Whether you already have students in the buildings or are anticipating their return on Monday, I hope you have all had a fantastic start to the year.

If you are receiving this e-mail, the H/H Lead at your building has yet to attend H/H Lead Orientation (virtual). There were 5 sessions this week (M-F) with 4 sessions remaining next week. Please make sure your H/H Lead attends ONE of these trainings (listed below).

I have attached the current H/H Leads list (updated today) in case you forgot who your person was. If you need to make a change, you can do so [here](#).

Please let me know if anything comes up in the meantime. I am happy to help!
