Mark mentioned it. I don't know that the rest of you really jumped on it. I suggested I'd report back to counsel to keep the back and forth from getting heated.

Were we thinking of un-dedicating the road? Perhaps we need to discuss further on Thurs night. I would definitely leave that option on the table since they don't want to be annexed into the town. Keeping up their road w/o annexation opens up a can of worms and sets precedence for others to want special treatment. That's the way I look at it. Becky

Council:

I promised to get back with you regarding the road dedication issue for Chocolate Drop that was brought up at the last meeting. (As always, please do not reply all, please reply to me separately so we don't violate the open meetings law).

So far as I can tell, if you want to 'un-dedicate' a road---so to speak---we have to petition the

NC Legislature. I know the debate was a bit heated, but if you seriously want to pursue that option, please let me know, and I'll see if I can get more information as to process.

Thanks,

Lora Baker
