Lora,

Just send me the GIS parcel numbers and a brief explanation of what we will need to do.
I'm out of town next week but will have my computer and I will get this information to Josh.

Thanks,
Barry

Barry,

The Town of Columbus has some land out near Gully Street that they need surveyed.
There's some question about whether a dilapidated house is on the Town's property or not.

There's one lot we definitely need surveyed, and may need a total of 4.

What information do you need from me so that you can give me an estimate that I can take back to the Town Manager, (estimate for 1 and estimate for all 4)?

Thanks,
