Subject: Chocolate Drop Annexation

Tim,

My recollection is that the Town annexed chocolate drop (at least the newest section) back before the fire. I know we asked Monica to see what she could find in the way of minutes/resolution(s)/etc., and I think we came up empty handed. If DENR sued the Town on the basis of the Town's annexation, it seems to me pretty likely we had already annexed some of the subdivision. Can you find out what we may have documented?

It might be best to add this to the list of what we need to look into, (see what you can find, and me as well) and ask the board not to consider it this month.

Thank you,
Lora Baker
