21 Wheeler called and stated their trash has also not been picked up.  
57 Gully Street added that their trash can was not picked up either. ( stated their trash was set a day before)

45 Wheeler Street trash was still not picked up, and 21 Wheeler Street recycling has not been picked up since Friday.

Regarding the 4:30 p.m. request, the customer from 45 Wheeler Street called in early to assure trash would get picked up the day of service since there is an issue with raccoons and such. I will email you as I receive calls about missed pick-up or recycling. If you guys can't pick it up that day of service, just let me know, and I will gladly call them and let them know. Unfortunately, if the trash/recycling has not been placed promptly, I will not be aware until you let me know.

Thank you,

Daisy Trejo
