Lora,

The Gully Street issue is that the Town owns some land at the end of Gully Street and one of the lots the Town owns appears to have a house on it that the Town did not build.
Your new hourly rate is \$250 per hour.

I made myself a note to GIS Gully Street for the Town, but now I don't see a reference to that in the agenda.

Do you know what that is in regards to?

Also, what's my new hourly rate? I'm going to run a bill up to June for the last rate before I start with the new one.

Thanks!
Lora
