Advisory: Homecoming Parade 2023

Dear TIM,

This message is from the Town of Columbus: Polk County High School will hold its annual Homecoming Parade on Friday, September 29, 2023, in downtown Columbus. The parade begins at 5:00 PM. Traffic will be shut down around 4:45 p.m. on Mills Street. The parade will start on Hampton Street, taking a left on Main Street and ending at the Polk County High School. Expect traffic congestion, and be sure to note detour routes through town during this time. It's a great week to be a Wolverine!

For full details, [view this message on the web](#).
