I'm not sure if you also receive the emails from the website so I'm forwarding this one to you.

Subject: Virtual Public Comment Missing Link

To: <middleschoolreconfigurationfeedback@acsgmail.net>, <maggie.fehrman@acsgmail.net>

Hello Dr. Fehrman,

There is no active link to sign up for Virtual Public Comment! This was difficult to find, as is. Will you please ensure that a District-wide notification is also sent via ParentSquare to ACS families given that sign up closes at Noon on Monday? Parents and guardians need to have effective planning time for this critical time to share open comment.

Please tell me what I'm missing ... I have tried on my phone and laptop.

Each individual will have 3 minutes to speak, or 5 minutes for those speaking on behalf of a group.

Virtual Comment Option: To request to speak click on this link.

The virtual public comment sign-up form will close at NOON and/or at least five hours prior to the start of the Regularly Scheduled Board Meeting.

Let's Talk Respectfully: As we dive into discussions, it's crucial we communicate with kindness and respect towards our families, staff, students, and alumni of AMS and MNSA. We treasure our community's pride but aim for conversations that are both considerate and constructive.

OK, got it.
