Greetings, Principal Baggett,

First off, kudos on your well-deserved and hard-earned move to central leadership. Your excellence as a district leader has been proven time and time again.

I am reaching out with the hope of securing a time to visit MNSA. I have a relatively flexible schedule this Friday (TWD for me), so if you have some time available that day, I would love to come and spend some time with you and see the community in action under your guidance.

Please let me know if Friday poses any conflicts - I can look ahead on my school calendar and schedule a half day off in the coming weeks. I am eager and excited to see all the wonderful happenings at MNSA!â€

Asheville City Schools as a whole district is lucky to have you, and I am grateful for your continued service leadership, as I know so much of our community is as well. I look forward to witnessing your continued commitment toward excellence and its impact as a district leader.

With gratitude,

Liza Kelly
