Subject : Re: Capacity study for MNSA
Attachment : image.png;

Thank you for this, Maggie. This document has a number that several people feel uncomfortable with. Do you know what the terms listed after "Core Student Capacity" mean? See image below. Thanks!

Dates of Acquisition		School Statistics	
Original	Date	Student Population	45-70
	1952	Core Student Capacity (MED or DN divided by 4) ...	765
School Additions & Renovations		No. of Teaching Staff	8
		No. of Teaching Stations.....	22
Additions:.....	Date	Administration Staff	3
	1959, 1982, 1986	Physical Education/Gym.....	1
1989	Auditorium	0
		Grade Levels	6-12
		Acreage	5.05
