Hi, Shannon. First, a huge congratulations for the accolades you and MNSA have received this year! You are obviously doing something(s) very right, and your staff have high praise for you. I for good reason.

Second, as we move further into discussions about the future of our middle schools, I would really appreciate the opportunity to chat with you about the issue and how you feel about the possibilities. Can we find a time for a conversation? I am thinking it should be just the two of us, but if you want me to invite a couple of other board members, or if you want to include a couple of others on your staff, I am open. Would you let me know if there is a good time for you on Friday or sometime next week? My week next week is getting pretty busy, but this is important and I want to meet when it is convenient for you.

Feel free to call or text me at (828) 989-6769.

Thank you, Shannon.

Amy
