[External] Public records request. (March 2024) Request for City of Greenville, NC

Government: List of all current Police Department employees and their salaries. As of

the present day.

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender, were expecting this message or otherwise know the content is safe.

Good evening Leah, Valerie, Donald, and Jacob, (or Custodian(s) of these records),

Please reply promptly to the following public records request, which I'm making in accordance with NC Public Records Law. https://www.ncleg.net/enactedlegislation/statutes/html/bychapter/chapter 132.html

** I'm simply requesting an electronic copy of an electronic record, if one exists. I'm NOT asking for the opportunity to come in person to "inspect", nor to obtain a printed copy of, this electronic record. I'm requesting explicitly that any responsive info be provided to me via the electronic medium / electronic format (in which the copy of this record already exists). If you are unable to fulfill any or all parts of this request, please specifically cite where a reason for denial is justified under NC Public Records Law. **

The type of basic salary data I'm requesting is simple to provide, is very commonly produced, and is widely considered a matter of public record as part of the public personnel file of employees. Many NC entities fulfill requests like this via email in 1 week, and in many cases 1 day.

Please provide the names and salaries of ALL current Greenville, NC Police Department employees, as of the present day [on the date the query is performed]. Please include the following:

- 1) Employee first / last name
- 2) Date of hire
- 3) Position / title / department
- 4) Salary (including hourly wage, hourly rate, or salary -- whichever payment structure is applicable to the employee)

Ideally, I'd like to receive the responsive records in an Excel or other machine-readable format. If any / all of this info is already publicly available online, please provide a link to where it can be accessed.

Please note that by submitting this request, I'm NOT agreeing to pay any potential fees or associated costs related to my request. If it isn't possible to process the request without incurring fees, then please let me know the itemized potential cost and clear explanations of those charges upfront, and DO NOT proceed until I respond.

By Law I'm not required to provide a name or address to associate with a public records request, but in order to move things along I'd like to clarify that this request is being made by:

Sunshine Request PO Box 17391 Asheville, NC 28816

The request has been sent solely by me and my email address $\underline{records@sunshinerequest.com}$. If anyone other than that email address contacts you to pursue a similar request, it did not come from me. Please do not commingle or treat that as an alteration or cancellation of my request – I intend to continue to pursue my request.

Thank you for your assistance!

** Sunshine Request (<u>www.sunshinerequest.com</u>) makes no claim as to the veracity of any statements or information contained in any of the requests, or public records, we receive.
