Announcement

Subject: Tyler Product Name Updates

As one of our valued clients, we are excited to share with you that many of our products are getting new, simplified names. These updated names will be functional in nature, making it easier to understand what our products do.

We want to assure you there will be no change in product functionality or the support and services currently received; we are simply changing the names of our products. In February 2022, you will begin seeing new names used in various documentation and materials, including client support tools, business invoices, tylertech.com, within software applications, etc.

This announcement is to simply make you aware of these changes; no further action is needed on your part. Should you have further questions, please visit our FAQ page at tylertech.com/FAQ.
