Lamar,

Can we get the signed copy of the interlocal for the Blue Horizons project that was on the 4/18 agenda. The City needs to sign it as well to fully execute. Thanks.

I don't see the option for a vendor to submit to one subset of the proposed SOW. Did your equity team not recommend that? If you can give me a summary of the changes that were recommended by the equity analysis I'll share them over here. My CMO wants to approve before we post now.

Also, we don't have a signed interlocal yet. What is the status of that?

Hey!

The changes suggested during the County's equity review were minor. Attached is the final copy. I mostly want to make sure you are comfortable with the schedule (section 2.3).
