Re: Terminating Contract #92400161 Effective Sept 30, 2024

Dear Bridget and Kiera,

I am writing to formally notify the City of Asheville that Green Built Alliance (GBA) wishes to terminate the Blue Horizons Funding Agreement, effective September 30, 2024. In accordance with the terms of our agreement, this letter serves as the required notice of termination.

We greatly appreciate the City's collaboration and support during our management of the Blue Horizons Project, Energy Savers Network and the Blue Horizons Project Community Council. It has been a privilege to work on behalf of the City to promote energy efficiency and sustainability in Asheville. We are proud of the positive impact the program has made in the community, from weatherizing homes to engaging residents in energy-saving initiatives.

As we approach the September 30 conclusion, GBA will ensure all remaining deliverables are completed and final invoices are submitted promptly for the City's review. Also, GBA will ensure any intellectual property that was generated through this contract is passed to the City for their use.

Thank you again for the opportunity to partner on this important project. Please do not hesitate to reach out if you have any questions or require further information.

Thank you,

Jamie Wine
