Correct, still waiting on Lamar. We'll send it your way as soon as we get it.

I'm still foggy but so much better. There's light at the end of the tunnel. Get some rest!

Just checking on this, we're still holding for Lamar, right?  
sorry to hold up the release further needing to route for sigs...but we've got a lot of eyes on this now!  
Let me know if you have an ETA.

Jackie, hope your brain is more functional than mine right now 🤔🙄

Lamar,

Can we get the signed copy of the interlocal for the Blue Horizons project that was on the 4/18 agenda. The City needs to sign it as well to fully execute. Thanks.

I don't see the option for a vendor to submit to one subset of the proposed SOW. Did your equity team not recommend that? If you can give me a summary of the changes that were recommended by the equity analysis I'll share them over here. My CMO wants to approve before we post now.

Also, we don't have a signed interlocal yet. What is the status of that?

Hey!

The changes suggested during the County's equity review were minor. Attached is the final copy. I mostly want to make sure you are comfortable with the schedule (section 2.3).
