Looks good, I need to invite our Business Inclusion office staff to join the virtual info session to be able to provide clarity to any for profit entities that may be submitting a proposal on how to complete our Asheville Business Inclusion Forms, can you send me the teams link to the info session? I see that its linked, but I can't grab the link to share with them. Once I know who is attending I will send you their contact to invite them directly.

Thanks for putting this together, tight timelines!
