Hello GBA team,

We have received your termination request letter and have included the attached response with a revised timeline. To finalize the contract termination please review the attached letter and return with board chair and executive director initials by **this Friday 9/27**.

We'd also like to confirm that you're planning to host the "Staff Planning Meeting" scheduled for tomorrow 9/25 at noon and that you'll make an effort to confirm that Seth and Michelle are in attendance for communication and planning purposes.

Many thanks for your work and partnership over the years and for your effort to support a smooth contract termination process in collaboration with our offices and our engaged community stakeholders.

Best,
Kiera

Re: Acceptance of Termination of Blue Horizons Funding Agreement Contract #92400161

Jamie and Jonathan,

This letter serves to acknowledge receipt of GreenBuilt Alliance's notice regarding termination of contract #92400161. The City of Asheville accepts the termination notice with the updated timeline as listed below in alignment with City procurement policies.

Sept. 30th : Last day for any invoiceable deliverables and document transfer to be completed

Oct. 7th : Deadline for submission of final invoice

Oct. 15th : Termination of contract finalized

We echo the appreciation for the work we were able to achieve in partnership and look forward to the positive impacts GreenBuilt Alliance will make in our community in the future.

Sincerely,

Bridget Herring

Acknowledgement and agreement to the above terms and dates:
