Michelle, do you need any help from me here, or are you handling this correspondence? I don't want to duplicate efforts.

Good morning Michelle,

I do not quite understand your question. The Planning Commission used that exact phrasing during the last meeting, October 1, 2025 so I thought I would

Inquire so as to get up to stowed should I be appointed to the seat. So as I type I would suspect that what I am requesting would have something spelled out on how to fill a vacant seat (City Councils discretion). With that said I would harken the document to a likeness of Bylaws or Constitution of an organization. Perhaps I should just request both and you my guide me. Thank you for your assistance.

Cordially,
Michael

Hi Michael,

I am handling the rules part for boards and commissions. Are you looking for council's that each member has to sign or the rules you have in place now?

Good morning,

If possible, I am requesting the Planning Commission's "Rules of Procedure." Thank you for your help regarding this request.

Hello everyone,

I am contacting you regarding your application to the Planning and Zoning Commission. City Council requested that the City Clerk's Office extend the application deadline for the current vacancy. The new application deadline is Sunday, September 28, 2025. Consideration of these appointments is scheduled for the October 28, 2025, City Council meeting, unless interviews are requested, in which case appointments will be made at the November 18 City Council meeting.

Your applications will remain on file and be eligible for consideration under this new timeline as they were received prior to the previous application deadline of June 29, 2025.

If you have any questions about this update, please do not hesitate to contact me.

Best,
Alex
